

# HOLA PERÚ

**A new and exciting multi-media resource combining Spanish language development with a cross-curricular voyage of discovery to the continent of South America and the country of Peru.**

Hola Perú...

- is designed for children in the transitional phase of upper Primary and lower Secondary school
- shows the versatility of the Spanish language across the globe
- is a rich multi-sensory experience, where children will get to know young Peruvians, with whom they can share their daily lives, experiences, values and aspirations
- gives opportunities throughout the curriculum for children to explore the geography, art, music, literature and history of the people of this unique country
- enables children to reflect on their role as active global citizens, within the context of Fairtrade and Sustainable Development
- provides multimedia activities, accompanying authentic videos in both English and Spanish, and interactive learning materials for use as part of a skills-based curriculum, or as stand-alone lessons.
